John Frederick: John left the summer of sophomore year, moving to Kalakaska, Michigan. Even though we kept in touch through letters, we all missed him much. But, Senior year, second semester, we have him back for good.
Mark Frederick: We lost Mark our Junior summer. He moved to Missouri. Mark has joined us again Senior year and we are sure happy to have him back.
Tonette Hoepf: Tone left us Junior summer, moving to Columbus, Ohio. She has come back many times, though, to give us thrilling rides in her Mercedes Benz.
Michael Rodgers: Mike left us after Freshmen year. He attends Holy Spirit Seminary in Toledo. Even though he has been back few times to visit us, we will remember him always.
Chris Decker Stotz: Ruby married Tim Stotz during February of our Junior year. They are now the proud parents of Laura Lea and we wish them all the luck in the world.
Scott Swope: Scott moved to Florida Sophomore summer. Then came back to live in Tiffin Junior summer. Even though he doesn't attend St. Joe, we are sure happy to see him as much as we do.

FOOTBALL

At the beginning of this season our football team was the underdog. Some people considered us weak and unable to win half of our games, but as the season progressed, St. Joe's proved them wrong. The team fought hard and nearly accomplished the impossible. Probably the most remembered game will be the Clyde game in which we met an undefeated team head-on. An added incentive for victory was the fact that this game was St. Joe's Homecoming Game! The game ended in a 0-0 tie and a moral victory for us. At the close of the season our record was 7 wins, 2 losses and 1 tie. This is the average statistics of all the seasons St. Joe's has played. This 1972 season will be remembered for a long time as "St. Joe Battling Against the Odds!"

BASKETBALL

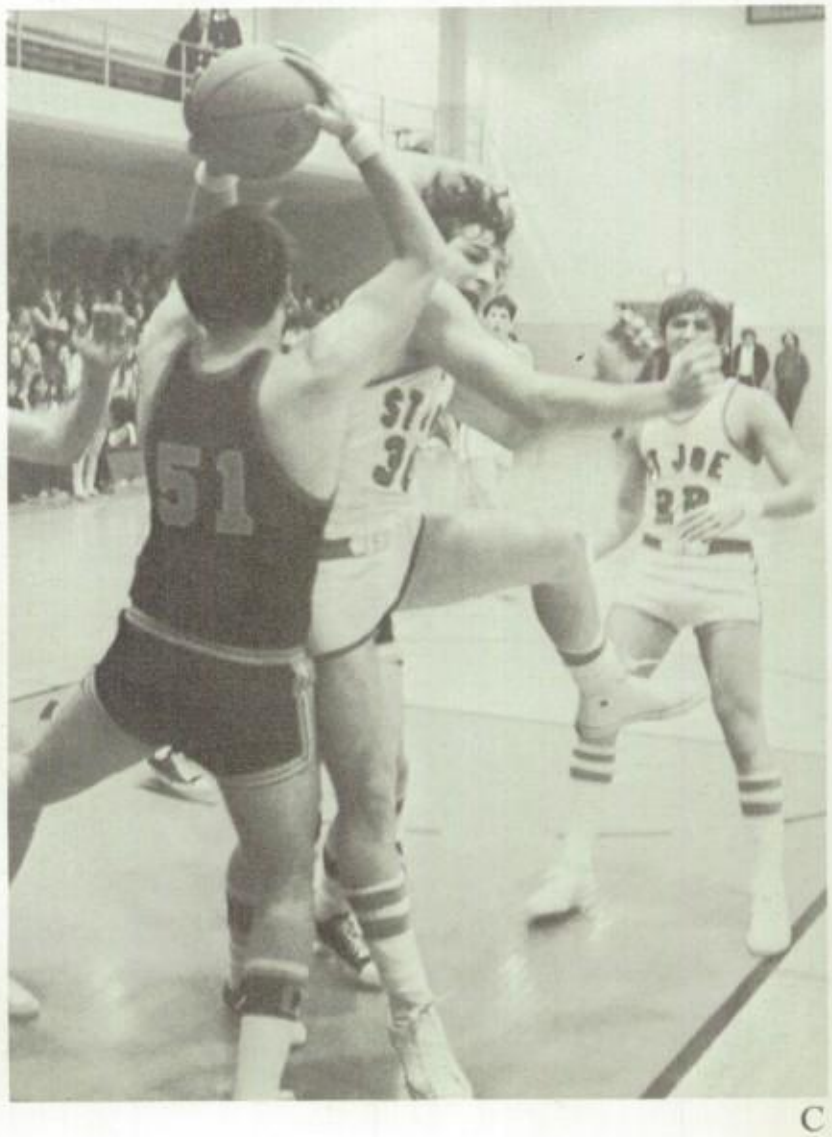

The St. Joe cagers entered the 1972-73 basketball season with two returning lettermen. The spirited team consisted of five Seniors, six Juniors, and one Soph. The co-captains, John Barrington and Jerry Yeager, proved to lead their team on to victory. John Quaintance did an outstanding job as manager. The season was very tense and exciting, due to the fact that many of St. Joe's victories were accomplished by only a few points. This created many suspense-filled moments for the fans as well as Coach Pete Guerrera. Good defense and undying spirit contributed to the success of the season. Guerrera's Gorillas were in a very close SBC race and most of their losses were to state-ranked teams. In the beginning of the year, St. Joe's got off to a slow start but as the season progressed, so did the team's ability to make a winning season. The reserve team, consisting of eight Sophs and Coach Bergeman, had one of the top records in the SBC. The reserves combined good shooting with excellent defense to give them an outstanding record.

WRESTLING

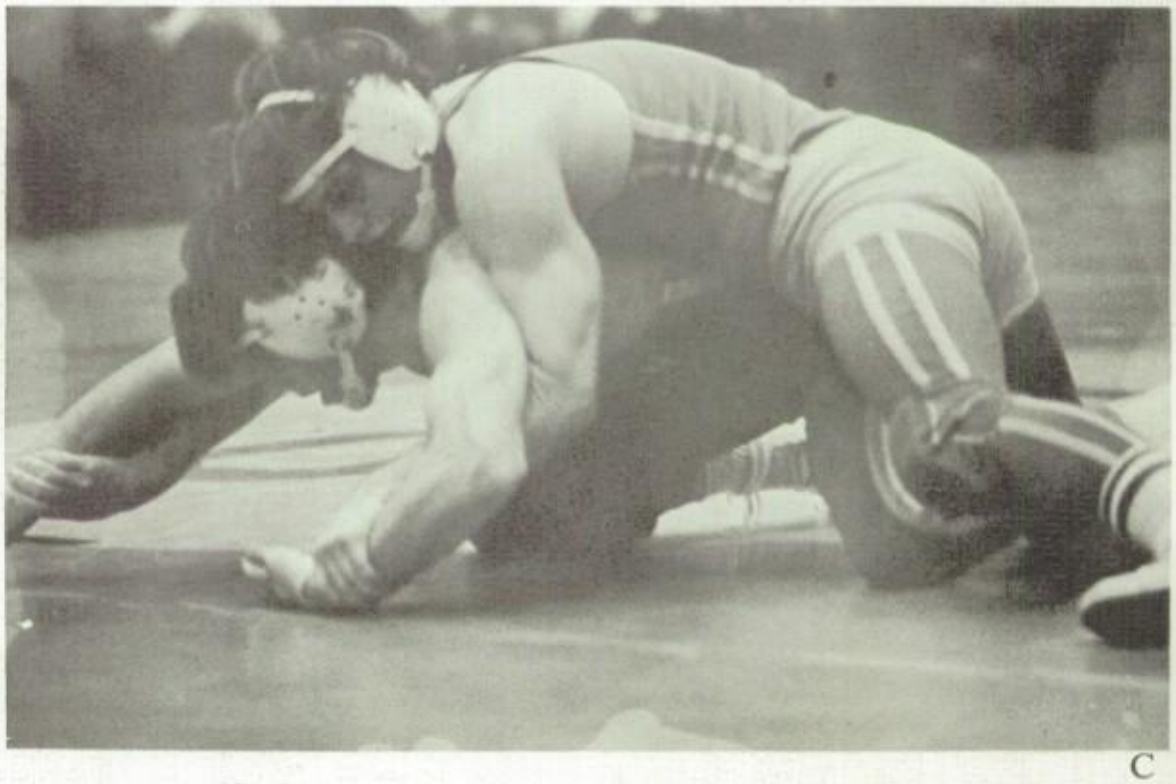

When the 1972-1973 grappling season got into full swing, it became apparent that the loss of last year's six Senior lettermen wasn't being felt as much as the team had anticipated. Like any other team in the Sandusky Bay Conference, the desire to win the SBC championship prevailed at St. Joe. Again this year, the desire and determination turned our wrestlers' dream into a reality on February 10, 1973-out-ranking top-seeded Huron 95.5 to 94.5. This was the climax of their winning season which consisted of an impressive record of 7 wins and 2 losses. St. Joe's came in 4th in the Bowsher Tournament and 7th in the C.I.T. (Catholic Invitational Tournament).

BASEBALL

The season was basically full of suspense, especially toward the end when we were in the running for the conference title. Between tough teams and waiting for the weather to break it was an exciting season. The climax was the winning of the SBC, which is a rare occasion for the baseball team. Congratulations to our team and let's hope we can have a replay of the SBC title in years ahead.

GOLF

This years golf team had a smashing success story even though they weren't the SBC winners. In comparison to other golf teams, this years was the best. Never before did a golf team at St. Joe's place high enough to compete in District Competition, but the Streaks changed that. Many who were not following the Streaks success story were surprised to hear that they ended up in second place at the District Tournament

Making Light of the Waves

All aboard the Challenger as the Seniors take their class trip. May 16, we chugged out of Sandusky harbor, planning to cruise across the lake to Canada. The going got rough and we didn't make it all the way, but we had a great time rocking with the waves and the band, "Wuz". Later, we dined on lobster and steak at the Brown Derby, danced a few hours away back on deck, and ended the day tired and content. Thanks — to our Chaperones and to the people who helped plan.

Banding Together For A Purpose

The students joined their talents and efforts to raise money for the high school during our city-wide carnival which was certainly tagged a success . . . . And hours of work went into our annual book fair, held in the school library, and sponsored by the English department . . . . Not to mention individual fun projects that many times went by completely unrecognized.

"LYTE" 'n Lively

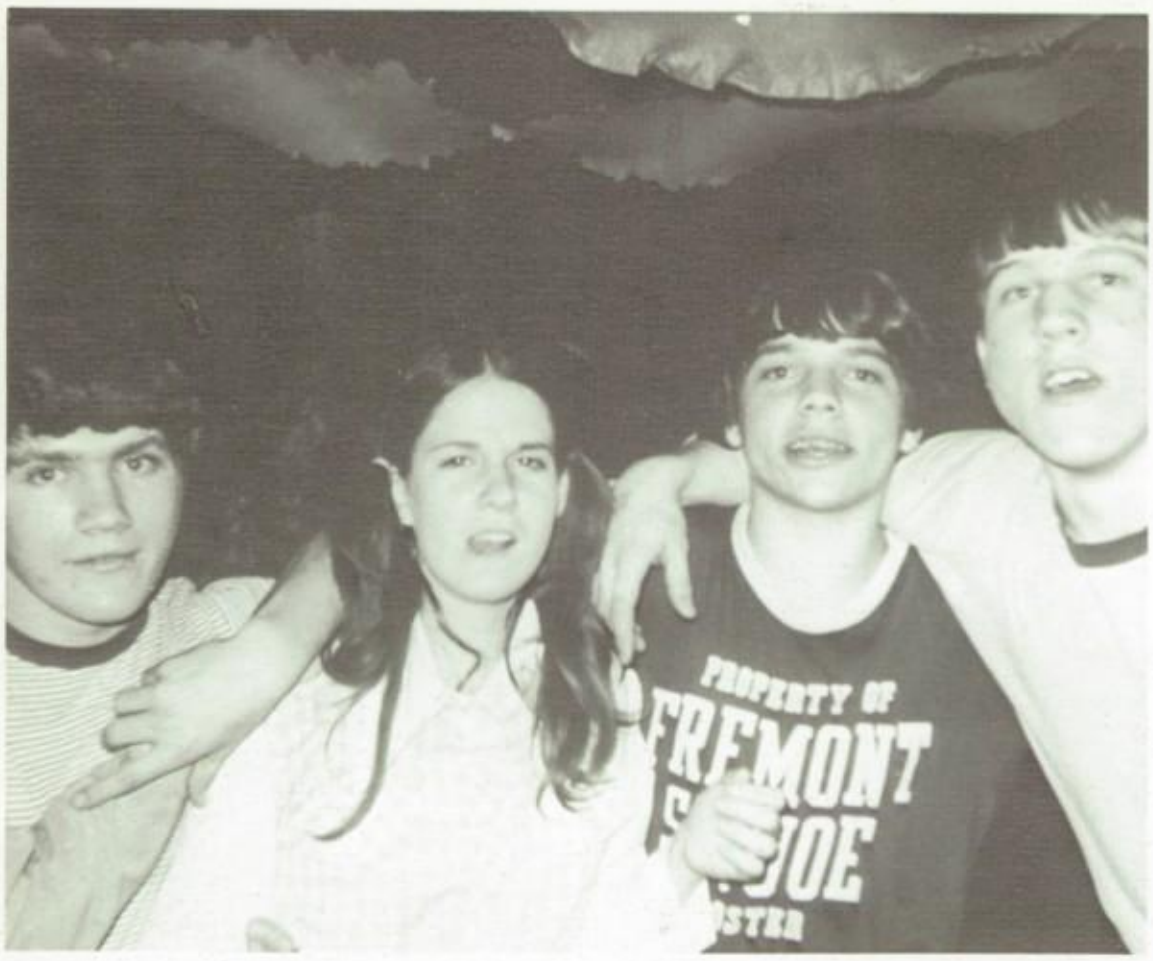

In May, St. Joe's hosted it's first rock concert, featuring "Lyte", of Tiffin. They were enjoyed by all — in fact, some spirited seniors and underclassmen found it hard to contain themselves and were seen dancing to the music right on our gym floor. Is that girl with . . . . . Danny Byers?!!

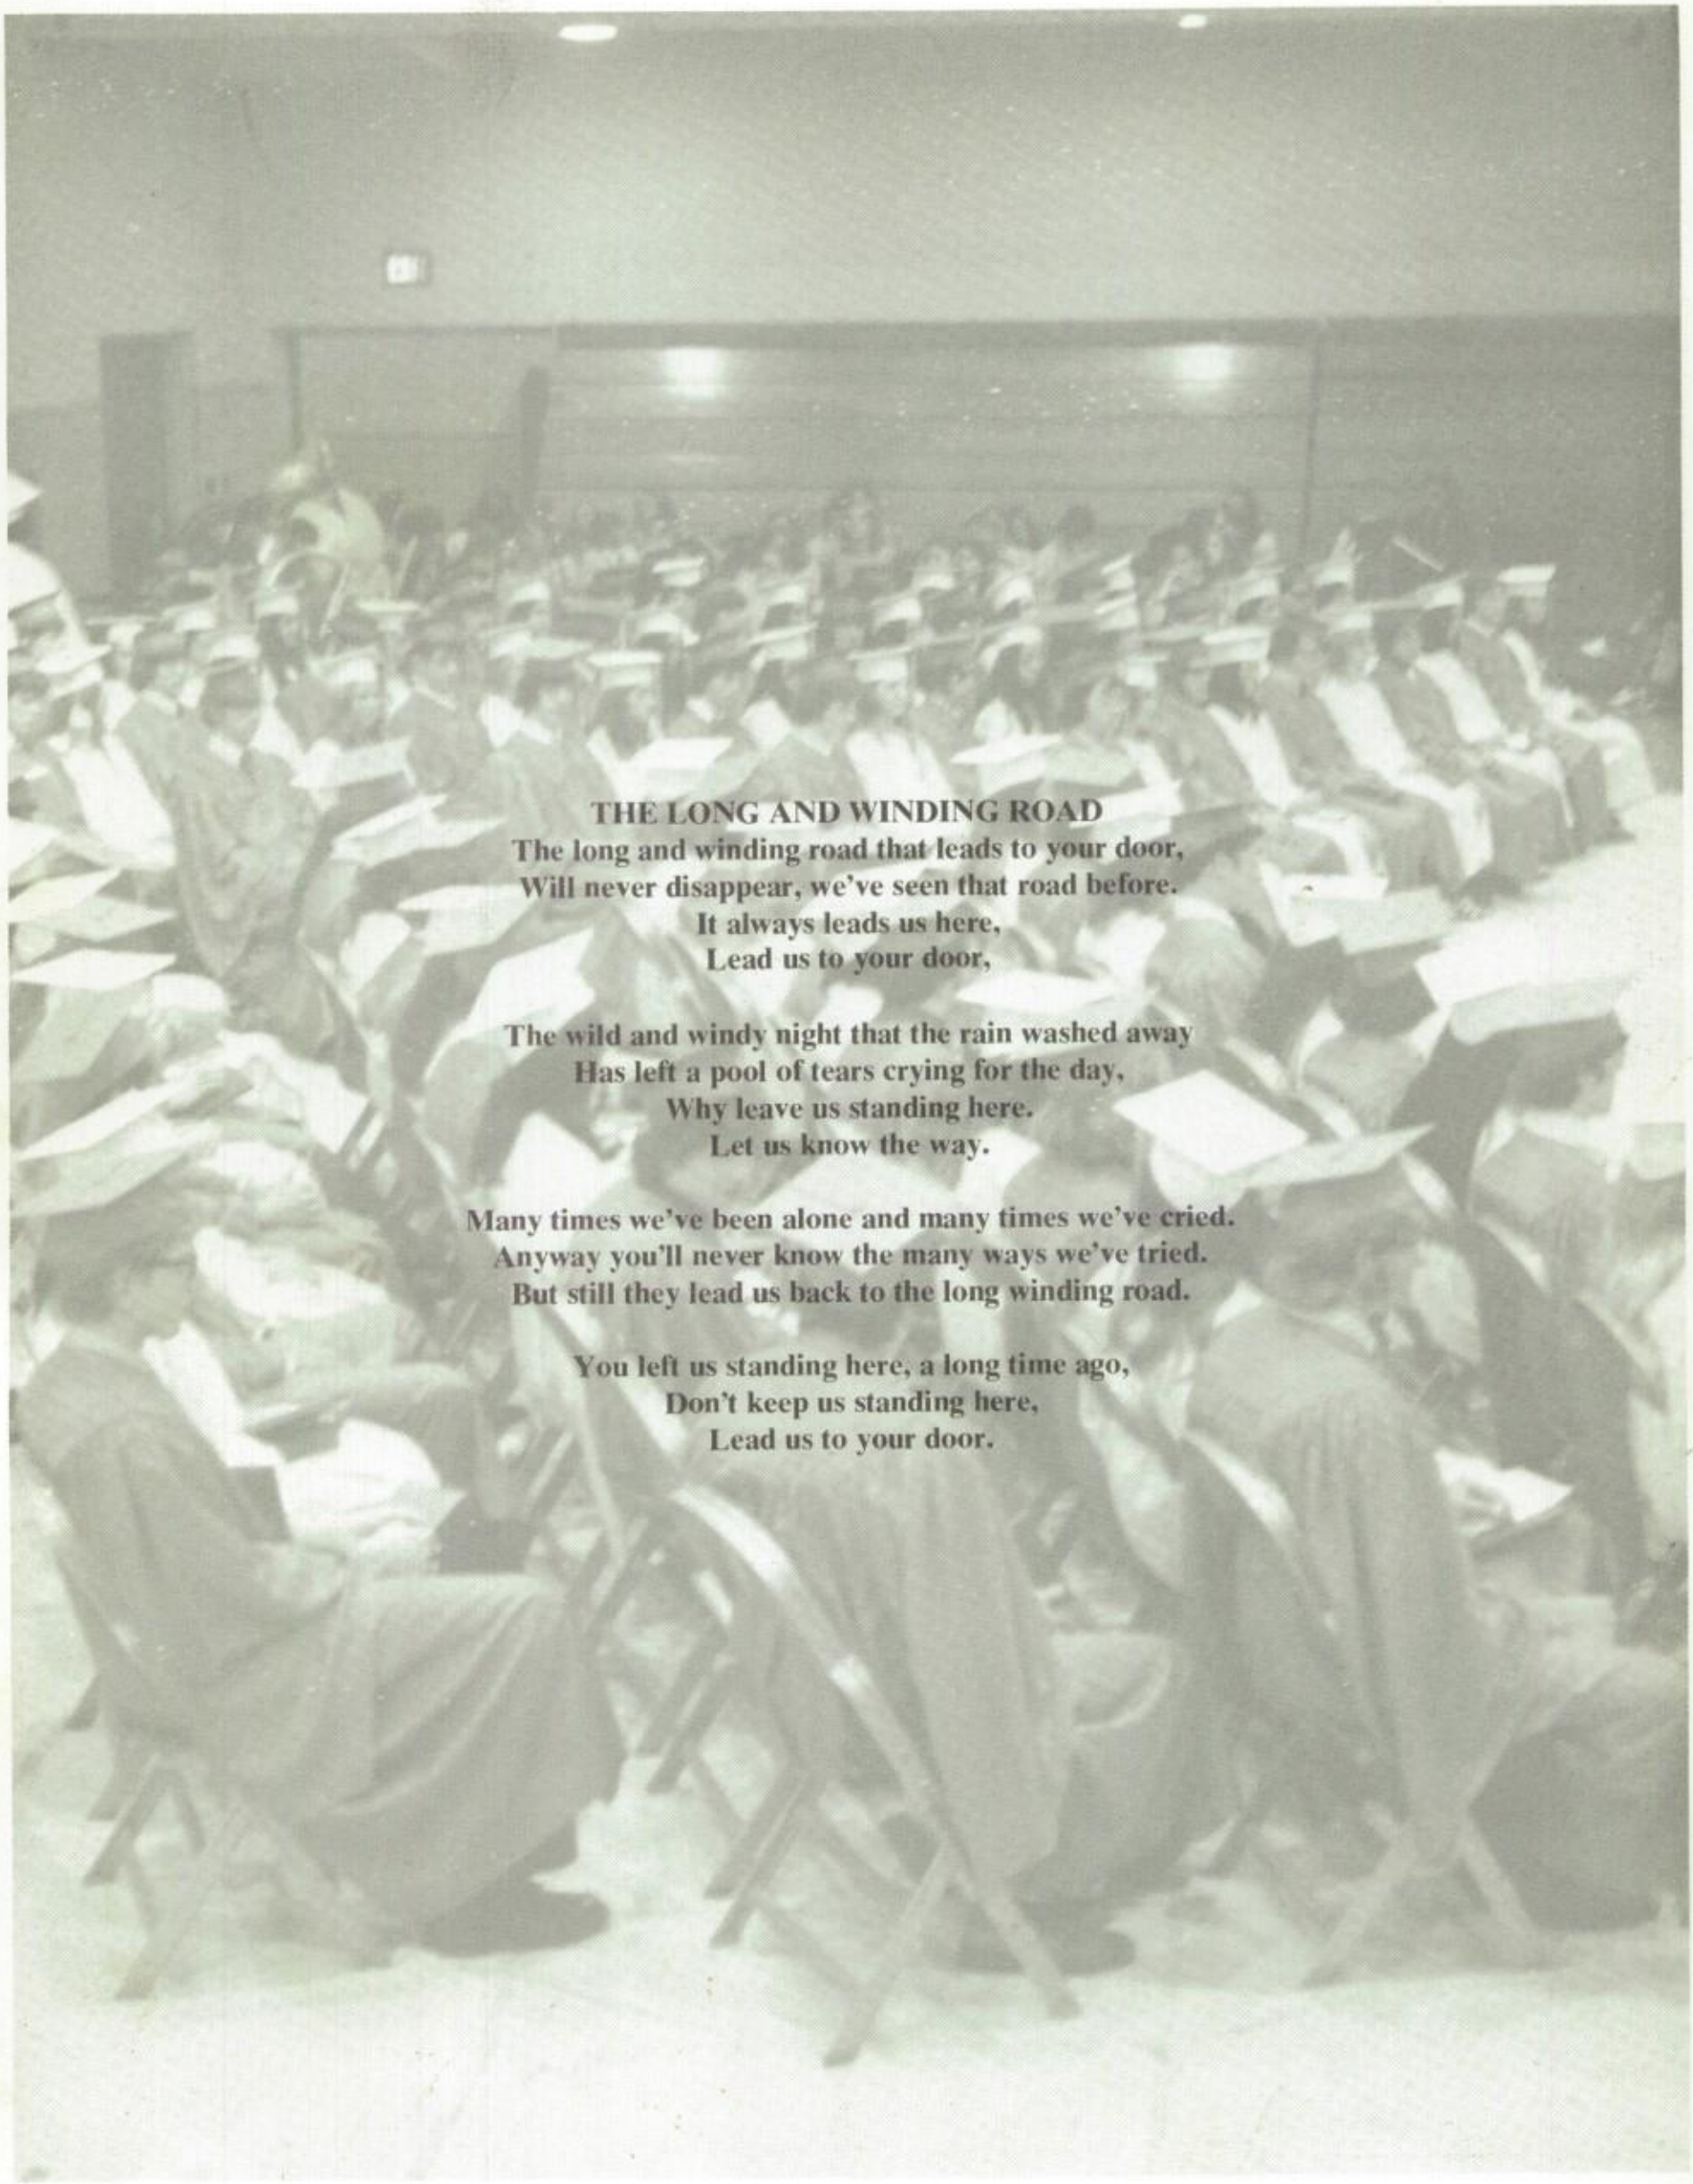

Those Were the Days

Spring was again the season for the Sadie Hawkins dance. It was a swinging time for many — especially those who got married by the preacher! Some other happenings that took place were all the birthdays that were celebrated in the cafeteria. Last but not least were all the Senior class parties — Is that really Steve Gottron trying to ride that "Big Wheel" at Sharon's party?

THE LONG AND WINDING ROAD

The long and winding road that leads to your door,
Will never disappear, we've seen that road before.
It always leads us here,
Lead us to your door,

The wild and windy night that the rain washed away
Has left a pool of tears crying for the day,
Why leave us standing here.
Let us know the way.

Many times we've been alone and many times we've cried.
Anyway you'll never know the many ways we've tried.
But still they lead us back to the long winding road.

You left us standing here, a long time ago,
Don't keep us standing here,
Lead us to your door.

BASEBALL

The season was basically full of suspense, especially toward the end when we were in the running for the conference title. Between tough teams and waiting for the weather to break it was an exciting season. The climax was the winning of the SBC, which is a rare occasion for the baseball team. Congratulations to our team and let's hope we can have a replay of the SBC title in years ahead.

GOLF

This years golf team had a smashing success story even though they weren't the SBC winners. In comparison to other golf teams, this years was the best. Never before did a golf team at St. Joe's place high enough to compete in District Competition, but the Streaks changed that. Many who were not following the Streaks success story were surprised to hear that they ended up in second place at the District Tournament

Making Light of the Waves

All aboard the Challenger as the Seniors take their class trip. May 16, we chugged out of Sandusky harbor, planning to cruise across the lake to Canada. The going got rough and we didn't make it all the way, but we had a great time rocking with the waves and the band, "Wuz". Later, we dined on lobster and steak at the Brown Derby, danced a few hours away back on deck, and ended the day tired and content. Thanks — to our Chaperones and to the people who helped plan.

Banding Together For A Purpose

The students joined their talents and efforts to raise money for the high school during our city-wide carnival which was certainly tagged a success . . . . And hours of work went into our annual book fair, held in the school library, and sponsored by the English department . . . . Not to mention individual fun projects that many times went by completely unrecognized.

"LYTE" 'n Lively

In May, St. Joe's hosted it's first rock concert, featuring "Lyte", of Tiffin. They were enjoyed by all — in fact, some spirited seniors and underclassmen found it hard to contain themselves and were seen dancing to the music right on our gym floor. Is that girl with . . . . . Danny Byers?!!

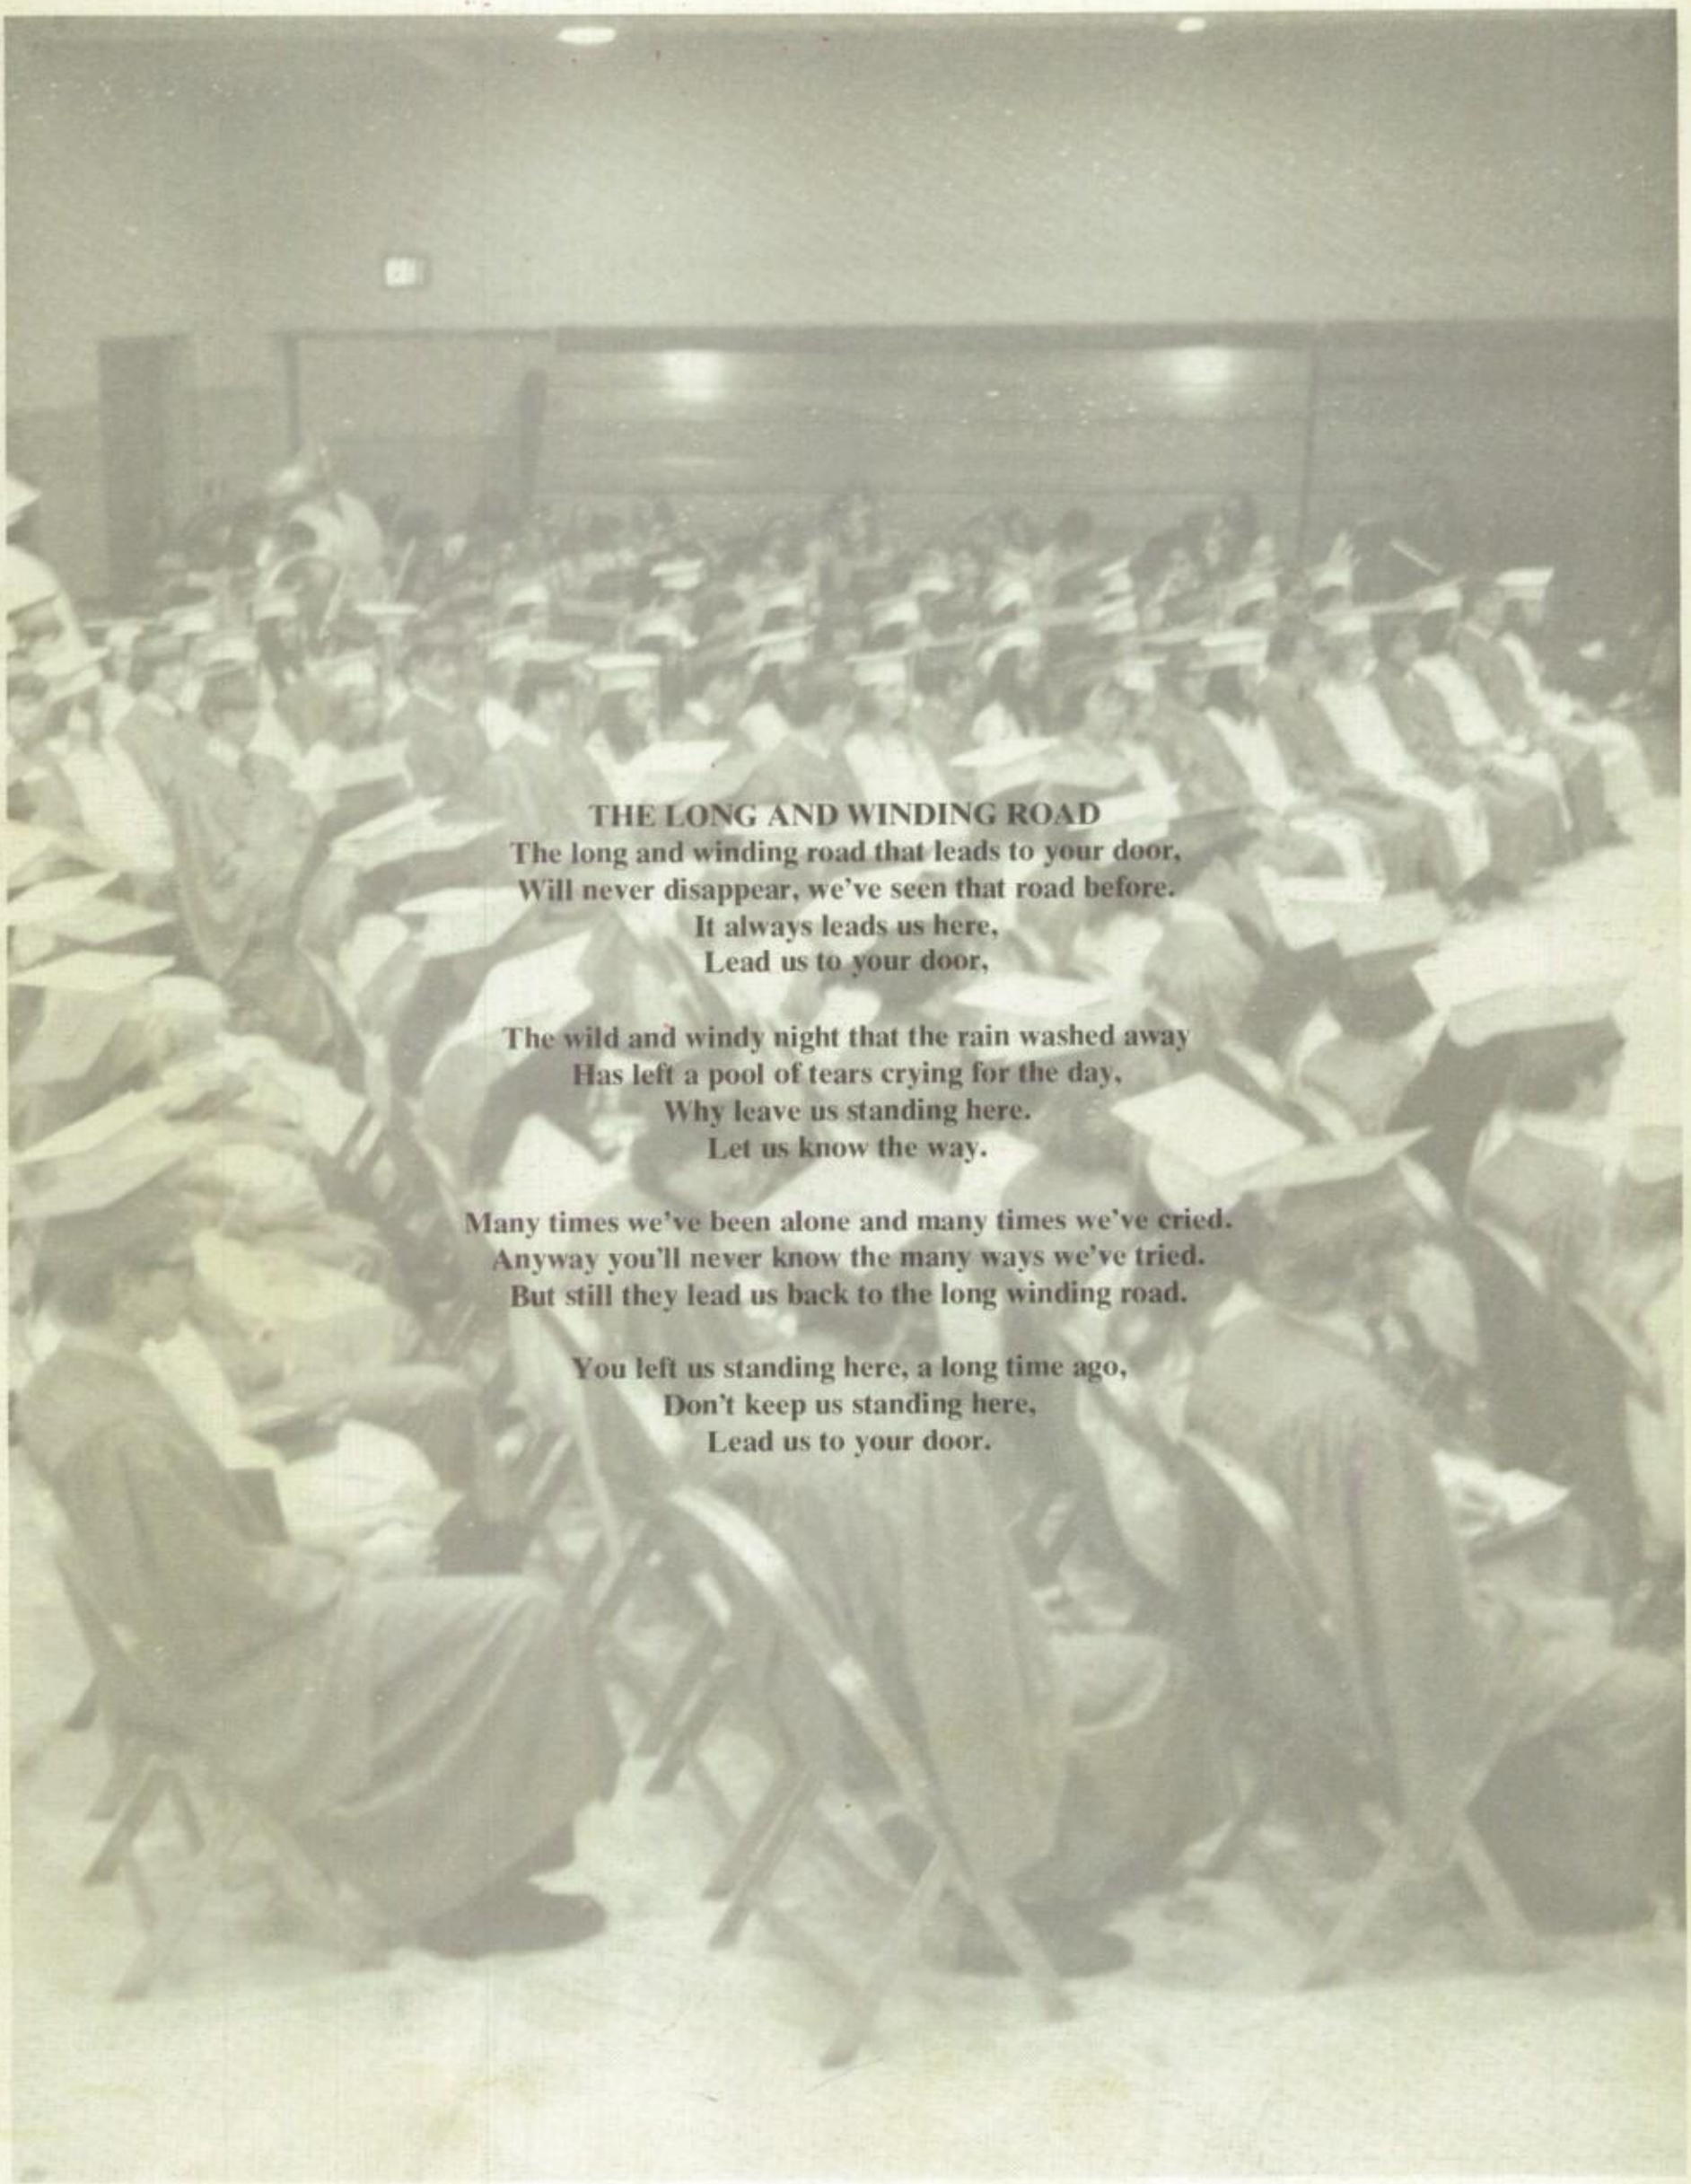

Those Were the Days

Spring was again the season for the Sadie Hawkins dance. It was a swinging time for many — especially those who got married by the preacher! Some other happenings that took place were all the birthdays that were celebrated in the cafeteria. Last but not least were all the Senior class parties — Is that really Steve Gottron trying to ride that "Big Wheel" at Sharon's party?

THE LONG AND WINDING ROAD

The long and winding road that leads to your door,
Will never disappear, we've seen that road before.
It always leads us here,
Lead us to your door,

The wild and windy night that the rain washed away
Has left a pool of tears crying for the day,
Why leave us standing here.
Let us know the way.

Many times we've been alone and many times we've cried.
Anyway you'll never know the many ways we've tried.
But still they lead us back to the long winding road.

You left us standing here, a long time ago,
Don't keep us standing here,
Lead us to your door.
